

Packing list „Greenland Winter“

- Dry suit
- Cold water regulators (2 sets)
- Hood (7-10 mm)
- Gloves (3-finger or dry gloves)
- Undersuit and under garment
- Mask and fins
- Diving computer
- Other individual dive gear/spare parts

- Warm, waterproof shoes/boots (no rubber boots!)
- Warm socks and underwear
- Warm and weatherproof jacket and pants (no jeans)
- Gloves (heating pads), warm hood, and scarf (2 sets)
- Crocs / slippers for the hotel
- Thermos, water bottle
- Goggles and sunglasses
- Sun protection
- Head lamp / torch
- Swim wear for the sauna
- Other clothes and personal belongings (medicine, contact lenses and cleaner, glasses)

- Passport, credit cards with PIN, cash in DKK, EUR, USD for souvenirs or tips
- Insurance papers
- Liability waiver (please don't send it by e-mail!)
- Possibly Visa papers

- Photo- and film gear (should be transported and stored in water- and shock proof cases)
- Drone - Follow the rules! <https://traveltrade.visitgreenland.com/latest-news/flying-drones-in-greenland/>
- Batteries and chargers
- Photo/film: tele lens 200-500 mm, standard zoom and wide angle are used most regularly
- Tripod for landscape/Northern lights photography
- Underwater photo and film: macro and wide angle, strobes

The hotel provides towels and bed linen (no sleeping bags etc. needed.). Hair dryer can be borrowed.

Please use large travel bags (i.e. XXL Duffel Bags from North Face with 150l) -> The best way to stow and carry.
Try to avoid suitcases, especially with wheels!

NOTE:

This is just a basic list which cannot replace your individual packing list which is adapted to your personal tour. I.e. you might need driver license, if you plan to stay and rent a car in Iceland, or medicine if you tend to get sea sick (on boat tours).

You are welcome to contact us in case of questions regarding what to bring on this trip.
